

House with garden with wide views

295.000 €

House with garden and panoramic sea views in the upper area of the Sant Miquel urbanization, Colera.

On a plot of 286 m², the house has 110 m² of usable space distributed over two floors currently without interior connection, which allows it to be equipped as two independent apartments.

On the ground floor we find a kitchen-dining room and a living room open to the garden, a bedroom, a bathroom and a garage-storage room with a porch.

The upper floor offers a living room with access to a terrace with a view, a bedroom with the same exit and a second bathroom.

The garden has a barbecue area and parking or recreation space.

A practical option for those looking for private outdoor space and good views without giving up the proximity of the town center and the coast.
